

Morning Sun Parents/Guardians/Students:

Each of you is very special to us. We want you to be happy at school and to learn all that you possibly can. We have identified five guidelines that will help us all be successful.

Guideline One: Be Responsible

All through your life you must decide how you will act. Therefore, we expect you to do what is right whether anyone is watching you or not. This is called “being responsible.” It isn’t always easy to make responsible choices, especially if someone else is not being responsible. It is important for you to remember that you are in charge of yourself. You can do what is right!

Guideline Two: Always Try

The best way to learn something new is to practice until you can do it. If you are unwilling to try, you cannot practice. When you first try to do something it is often difficult, but if you keep trying, it gets easier and easier.

Guideline Three: Do Your Best

When you do a job or an assignment, do your very best. While you are working on something, ask yourself, “Is this the best I can do?” If you give a job your best, you learn more and feel more responsible than if you just slide through the job. If you make mistakes, but did your best, your teacher can help you learn from your mistakes.

Guideline Four: Cooperate With Others

Cooperation includes being polite, treating people with respect, accepting differences between people, dealing with disagreements, and encouraging others to do their best.

Guideline Five: Treat Everyone With Dignity and Respect

Everyone must know that Morning Sun Elementary is a safe and supportive place to be. Any behavior that could hurt someone else will not be allowed. Examples of respecting property include caring for our school, play equipment, the personal property of classmates and staff, and returning lost items to the lost and found.

The staff at Morning Sun Elementary will help you achieve success at school. We will do this by helping you solve problems and by protecting your right to learn. We look forward to a good year and are happy to have an opportunity to work with you.

We have discussed these guidelines:
