

Families,

We hope you can visit our Follett Book Fair on September 24th & September 26th during Parent/Teachers Conferences. There are some fun books from a wide range of publishers meant to inspire your child about reading. This is our first Follett Book Fair, but the company has been supporting school for more than 140 years.

One of our goals is to put more books into the hands of students and on the shelves of classroom libraries. We will be collecting loose change again this year. We will have a contest between the classes to see who collects the most change between Sept 16-20th. The class that collects the most change will get a party. You will find a list of those days attached to the flyer. Also, our Book Fair goal is to promote literacy in a fun and exciting way.

Students that are excited for books will find a wide variety of good books. Parents and grandparents, if you are unable to attend the fair and want to see what is available or even order directly, please check out follettbookfairs.com. You may even purchase gift cards at follettgift.com.

We have attached a Follett Book Fair list of some of the fun titles available.

We look forward to seeing you there. Book Fair will be held in the lunchroom.
