

Easter Basket Auction

Sponsored by Morning Sun PTO

Dear Parents and Guardians:

February 19, 2021

As you know, so many events have been affected by Covid-19, and our fundraising has been no exception. In an attempt to get creative, Morning Sun PTO has begun coordinating a socially-distant event. Each classroom at Morning Sun Elementary will be compiling a theme-based basket to place up for auction in the beginning March 26th.

Each child's classroom will be selecting a basket theme. Anyone interested in donating items, gift cards, monetary donations to purchase items, etc., is invited to do so. Your child's teacher will provide you with the theme and a list of potential items to place in the basket

The Easter Basket Auction will take place on our Facebook page, Morning Sun PTO. If you do not have Facebook, and would still like to participate, you can submit a "sealed" bid for any basket you are interested in bidding on. Pictures of each basket and sealed bid forms will be sent home Friday March 26th. Pictures will also be posted to Facebook at this time. Highest bidder receives the prize!

As always, we appreciate ALL your support,

Morning Sun, PTO
